Ballpark Estimate

Components & labor subtotal	_____
WA background check fee	<i>covered by shop — no charge</i>
Washington retail sales tax (9.3%)	_____
Estimated total (ballpark)	_____

Deposit & Terms

All figures on this sheet are ballpark estimates, not a final price. The final price is confirmed in a written build order and may change depending on the options selected, or if component manufacturers are offering discounts when parts are ordered. If the price changes by more than **20%** from the quoted figure, the shop will contact the customer before ordering any parts.

Deposit: 40% or more of the quoted total, collected to reserve a position in the build queue.

Deposit collected today: _____ Method: ☐ Cash ☐ Card ☐ Other: _____

Credit card payments are subject to a 3.5% surcharge.

Estimated start / lead time: _____

Refund / restocking:

- Cancellation before parts are ordered and received: 10% restocking fee.
- Cancellation after parts are ordered and received: 40% restocking fee.
- The background check is run after the build is complete and the rifle is paid in full. If the buyer does not pass, the sale cannot be completed and no refund is issued.

Delivery & Compliance Notes

- A completed firearm cannot be delivered same-day. Delivery requires a federal Form 4473, a Washington State Patrol background check, and a mandatory **10 business-day** waiting period after the check is requested; approvals expire after 30 days.
- The background check is run after the build is complete and the rifle is paid in full; if the buyer does not pass, the sale cannot be completed (refund per Deposit & Terms).
- Buyer must be eligible under state and federal law; delivery is contingent on passing all checks.
